Dear HR Manager,

With a Bachelor's Degree and Master's Degree in computer science, experience on creating and implementing software applications, and the ability to troubleshoot and solve problems in a timely and accurate manner, I confidently express my interest in your posting on LinkedIn for a fresher software engineer.

I have been involved in many large-scale software releases and understand the importance of time management and open communication. So as a fresher it will not be difficult for me to work as a team in future because I have a good control on team work. I truly believe in continued education and research and continue to seek new software and methods to assist with development. I hope to bring my knowledge, and future knowledge, to your organization.

As an eligible candidate , with all of the required qualities I look forward to your consideration and give me the opportunity to speak with you more about my interest .

Sincerely,

Shihab Shariar
